Jo, A Football Champion

Sylvain Zorzin & Lymut

A bridge between reading and a passion for football!

Volume 1: A New Life

Johan has a dream to become a professional footballer. During his first day in his new neighbourhood is not easy. Both at school and at the local club, one boy calls the shots: Lionel, nicknamed 'Messi' against his will, a formidable striker who decides who plays and who stays on the bench. When Johan pulls off a spectacular bicycle kick during an impromptu match, he attracts the attention - and the jealousy - of the football tyrant. Brutally sidelined,

Jo refuses to give up. With the help of Olivier, his new football-mad neighbour, and a bunch of underrated teammates, he issues a daring challenge to Lionel...

2 titles / 96 pages including 16 comic-book pages / 14.5 x 20 cm - €12.90

Volume 2: Welcome to the Club

Johan has finally achieved his dream: joining the Tigers! As a new member of the team, Jo discovers a club in turmoil. The former coach has left and been replaced by Mounir Belhami, a former club "star" who has become an amateur coach. And that's not all: Mounir's daughter, Loubna, is joining the team... of boys! A first that does not please everyone. Maxence, the captain, refuses to lose his place. Zachary openly mocks her. Only Johan and his friend Olivier seem willing to give her a chance. But time is running out: in two weeks, the Tigers will face their fiercest rivals, the Forcheville club, in a prestigious match. Amid rivalries, prejudice, and a passion for football, will the team be able to come together and rise to the challenge?

The Cardmages

Fanny Caldin / Sanoe

Join the Cardmages on their quest and solve the riddles they will find on their way. 4 envelopes to cut out and 4 double-sided magical cards to discover in each book! On the cover: a map of the village and a template for a box to cut out, in which the reader can store their cards.

The Antique Dealers' Secret

Mitsuki and Yoko are twins. Yet they spend very little time together: while Yoko is bursting with energy during the day, she grows weak as soon as night falls; as for her brother, Mitsuki, he suffers from the 'Moon Children's Disease' and only comes truly alive at night... One day, their lives are turned upside down. They discover that they are the guardians of a magical Tarot deck! The problem is that the cards have been scattered throughout the village by their predecessors, to prevent them from falling into the hands of a terrible criminal organisation. Our heroes, accompanied by a quirky pair of antique dealers and a slightly overwhelmed babysitter, must follow the clues left for them and find the cards... before their adversaries do!

The Man with the Black Hat

Mitsuki and Yoko are the new Cardmages. Their role is to maintain the balance of power in the world, using their Tarot cards and their magical powers. But before they can fulfil their mission, they must find all the cards that their predecessors have hidden in their village. As the children search for new clues, they discover that they are not the only ones on the trail of the cards... A man with a black hat is following them... and isn't afraid to give chase! Quickly, our heroes must stand their ground and use their wits to find the next magical cards without being noticed!

The Ghost of the Cove

It's spring, and the final term of the academic year is beginning for Ruby and her friends! A new mystery is rocking the small town: Eli John Edwards has been found dead at his home. Aged sixty, he lived as a recluse in an old house by the sea, reputed to be haunted. The problem is that his daughter, and sole heir, is nowhere to be found. Ruby and Charles are recruited to track her down. Very quickly, they discover that this is no simple matter of inheritance. Eli had many secrets and took a keen interest in the history of his house, which was said to have been a hideout for female pirates. What if Eli had discovered a treasure right there in Byton Cove? What if there were far greater stakes under this case? In any event, someone is prepared to do anything to prevent the truth from coming out.

Uncover the secrets of Byton Cove by diving into this cosy mystery series!

Byton Cove is one of the most haunted towns in the United States: its woods are said to be inhabited by ghosts and vengeful witches... Yet Ruby Gautier, a 20-year-old French woman, dreamed of studying here. It was here that her grandmother, now deceased, lived sixty years ago. And it was here that she promised to honour her grandmother's last wish: to place a medallion on the grave of a woman named Emily Nolan. Once there, Ruby discovers something horrific: Emily is believed to be the murderer of a famous writer, born in Byton Cove! Why would her grandmother have brought her here? Convinced that something is amiss, Ruby decides to investigate this old case. At her side are her new friends, and above all the charming Charles, who is writing a thesis on the famous writer!

As the clues pile up, danger draws nearer. Some people do not want Ruby to uncover secrets... Time is running out!
