Charlotte Grossetête & Camouche

The Trojan War is over and Ulysses can finally go back home. This is the beginning of his extraordinary odyssey. Surrounded by his companions, Ulysses makes his first stop on the island of the Cyclops, where he crosses paths with the terrible Polyphemus. On the next island, Circe the sorceress bewitches them and keeps them prisoners for a year. On their boat again, they have to resist the bewitching songs of the sirens, Charybdis and Scylla, and the nymph Calypso. When they finally reach Ithaca, their adventure is not over...
