## EKO

Volume 1:  
The Ocean Stone

On another planet, far away from the Earth, live small beings, half-human, half-vegetal, called the Fytos. Eko is one of them, but he is young, fearless, and disobedient, which will cause him a lot of trouble! When he touches the sacred stones, Eko puts all his people in danger. To fix this mistake, he will have to find three new stones, spread in hostile and unexplored regions... To bring back the first one, the ocean stone, Eko will go through a thousand trials and face a thousand dangers. Will the young Fytos reach the end of his quest and save his people?

**A quest in three volumes, three books, three stones to return:**
