## Blue on a Mission Around the World

3+

A funny story to raise children's awareness of the importance of protecting Earth's flora! Blue is a unique flamingo. First of all, he is blue. And he is a vegetarian and hates shrimps. But most of all, Blue travels everywhere in the world to collect seeds: the jungle, the savannah, the desert, the North Pole, the Amazon rainforest, and even Shanghai! Helped by other animals, Blue takes his mission to heart. Because, if one day a plant disappeared, it could be replanted thanks to Blue's collection!

24 pages / 26 x 30 cm - € 14.90

## My Garden Beneath the City

An original and poetic story to make children understand why it is important to live in harmony with nature: "One summer evening, pouring rain falls on a lonely neighbourhood. So, in this concrete area where only a few people live, nature is reborn, abundant, and recreating a link between the inhabitants of a small building. As the days go by, nature expands and friendships are formed. And slowly, in this abandoned district, life resumes!"

10 pages with flaps / 22.3 x 28 cm  
€ 12.90

## The Day I Decided to Save My Planet

**The Secret of Dragon Valley** (volume 1)

Discover the new series by the author of *The Last Witch* set in the magical world of Idyllia where people travel on dragonback!

One day, Lord Kendrick decides to exchange his old dragon, Oom, against a younger and more dashing mount. Accompanied by Artémus, his young squire, Lord Kendrick arrives at the dragon merchant's. As Oom is not enough for the exchange, Kendrick decides to leave Artémus as well. There, the young squire meets Iselle, the fearless daughter of the dragon merchant. Iselle, who can communicate with dragons, feels the melancholy of Oom and his desire to reach a land only known to dragons: Dragon Valley. Convinced that Dragon Valley is the key to finding her mother who disappeared during her last expedition as a dragon rider, Iselle sets on an epic journey with Artémus and Oom.
